DMACC Scholarships

DMACC Foundation Scholarships

Every year the DMACC Foundation receives many generous gifts from individuals, corporations and foundations. These fundraising efforts combined with earnings from the Foundation's investments provide student scholarships to hundreds of students annually. One application lets students apply for all available Foundation scholarships.

Outside Scholarships

Scholarships are offered by public and private agencies, organizations, colleges, and universities. Recipients are selected based on scholastic aptitude, essay, and financial need. Minimum or maximum awards vary. Scholarships are gift aid and do not need to be paid back. When applying for a scholarship, pay close attention to any application deadline so you don't miss out on potential funding opportunities.

Scholarship Program

The DMACC Foundation has moved to a new scholarship management system. The new scholarship award system is applicable to the 2020 fall term and beyond.

The DMACC Foundation receives many generous gifts from individuals, corporations and foundations. These gifts combined with earnings from the Foundation's investments provide student scholarships to hundreds of students annually. Awards are based on financial need, academic achievement, community service, or a combination of donor directed qualifying criteria. The DMACC Foundation maintains an online scholarship application process in partnership with Blackbaud Award Management. The DMACC Foundation Award Management System, allows a student to:

- Fill out one simple and secure general scholarship application.
- Be automatically matched to scholarship opportunities at the DMACC Foundation for which the student qualifies.
- Receive recommended additional scholarship opportunities to apply to by submitting additional information or answering a few additional questions.

Welcome to the DMACC Foundation Scholarship Award Management System. The DMACC Foundation Scholarship Award Management System, allows a DMACC student to:

- Fill out **one** scholarship application to be considered for all scholarship opportunities at the DMACC Foundation.
- Be automatically matched to scholarship opportunities at the DMACC Foundation for which the student qualifies.
- Receive recommended additional scholarship opportunities to apply to by submitting additional information or answering a few additional questions.

To apply, please click the red **Sign-In button** located in the upper right-hand corner of this page. You will be prompted to enter your **DMACC username** (don't use @dmacc.edu) and password. Once you sign-in, you will be directed to review your student information and complete the general application. You will be matched to potential scholarship opportunities based off the information in your student record and your answers to the general application questions. After you complete the general application, further review of each opportunity will be necessary to ascertain if you meet all requirements. You may be recommended to apply to additional scholarship opportunities. These recommended opportunities require additional information to determine eligibility. Next to each recommended opportunity, click "Apply" to review additional criteria and questions. If you are qualified, answer the questions and provide the additional information specific to each recommended scholarship, then click "Finish and Submit."

Applications are read and scored by a group of volunteers. Please allow four to five weeks after the scholarship deadline to process your scholarship application. All scholarship notifications will be sent to the student's DMACC email address.
