----------------------	---------	---------	---------	---------

#### Out-of-State/non-resident tuition:

\$370 per credit	\$5,550	\$11,100	\$3,700	\$14,800
------------------	---------	----------	---------	----------

### Other Costs:

**Federal Loan Fees:** Federal loan fees are automatically added to the cost of attendance upon acceptance of the loan. Currently 1% of the loan amount requested.

**Specialized Supplies and Tools:** Some programs have special tool or other supply requirements. See individual program pages for specific requirements. If necessary, costs can be adjusted.

**Other fees:** Some courses and programs have additional fees. See individual program pages for more detail on specialized costs for the program of choice. Costs can be adjusted.

The following changes can also be considered. All changes require notification to the financial aid office and support documentation. Not all changes will result in 100% budget match or additional financial aid funds.

- Costs of a computer or other significant supply needs related to the student's declared major/course
- Significant dependent or child care expenditures
- Medical expenses not covered by insurance
