COMMUNITY COLLEGE
Life's Calling™

Did You Know . . .

Community colleges are an American invention.

Nearly 100,000 international students attend community colleges, about 39 percent of all international undergraduate students in the United States.

Community colleges account for nearly **HALF** of all U.S. undergraduates.

Approximately 11.5 million students are enrolled in community colleges across the United States.

95% of businesses that employ community college graduates recommend community college education.

Associate's Degree
ANNUAL EARNINGS \$\$\$
\$27,000–\$68,000

The most common programs of study offered at community colleges in the U.S. are:

Business/
Management/
Marketing & Health
Professions

Lifetime Earnings  of an Associate's Degree graduate are **\$1.6 million.**
\$400,000 more than a high school graduate earns.

Community colleges will provide **70%** of tomorrow's workforce.

Community college alumni from across the U.S. have gone on to careers as varied as bank CEO, Olympic medalist, actor, ambassador, state governor, country music singer, Congressman, international business leader, space shuttle commander and many other noteworthy professions.

DMACC alumni Bonnie Campbell, former Iowa Attorney General, and Dennis Albaugh, agribusiness giant, have been named the American Association of Community Colleges' National Alumni of the Year.

Life's Calling . . .

Opportunity and personal empowerment are the essence of Life's Calling. At DMACC, we want to inspire, energize and encourage you to achieve your career goals and life's aspirations.
