

Final Exam Schedule for the Ten-Week Summer Term, 2024

Des Moines Area Community College

Students: Your final exam time is based on the first meeting day of the week for your course and the time your course meets. For example, if your course meets MWF from 9:40 – 11:05, your final exam will be on Thursday, August 1, from 9:15 -11:15. If you have questions, check your course syllabus or talk with your instructor. The Final Exam Schedule is subject to change due to weather or other circumstances. If you are enrolled in a course scheduled for the full, 10-week, summer term, it is recommended that you do not make airline reservations or vacation plans until after August 1.

Instructors: All instructors are required to follow this schedule. Instructors should consult their dean or provost if their courses do not appear to be included in the schedule. Instructors of career/technical courses and any other courses that are scheduled to meet during nonstandard terms or nonstandard times may be required to meet through August 1. Any faculty, who have classes that do not fit the Final Exam Schedule or wish to deviate from the schedule, must submit a proposed final exam schedule to their dean or provost for approval (see ES4055). The amount of time for each final exam is 2 hours.

FINAL EXAM TIMES FOR 5- AND 8-WEEK SESSIONS WILL BE AT THE TIME AND DAY OF THE LAST REGULAR CLASS MEETING.
