### University of Iowa:

A course identified as Transfer Elective is one which does not have a direct one-to-one UI equivalent nor satisfies a General Education area, but that could, upon further evaluation, be deemed to satisfy a major/minor certificate requirement or to be partially equivalent to a UI course.

### Iowa State University:

If there is not a course that is directly equivalent to the community college course, the department name is still listed with either a 1T\*\* or 2T\*\* This shows that it does transfer as either a freshman (1T\*\*) or a sophomore (2T\*\*) level course. The student's major department at Iowa State will apply these credits to the student's degree as they see fit.

CAREER/TECH means that the course is part of a career/technical program. A maximum of sixteen semester hours of career/technical credit can be transferred to Iowa State.

### UNI:

When an equivalent is listed as PSYCH 1000\_\_ (e.g. PSYCH 1000Z) the letter at the end indicates that the content of the transfer psychology course is not similar to the content of any UNI psychology course to be given a direct equivalent. When a course accepted for transfer does not seem to fit into any department at the University it will be given an equivalent of UNIV 1000Z.

Even though these transfer courses may not be given exact UNI equivalents, they are still approved for transfer credit.
