

## **Water Treatment Technician – Full Time**

### **Crystal Clear Water – Des Moines, IA**

#### **About the Role**

This position is a strong match for someone who likes interacting with customers, staying active during the day, and working in different environments. You'll visit homes and businesses across the Des Moines area to install and service water treatment systems. No previous experience is needed — just a good attitude, professional communication, and a willingness to learn. If you take pride in doing quality work and enjoy being out on the road rather than sitting behind a desk or in a factory, this could be a great fit.

#### **What You'll Do**

- Install and service residential, commercial, and light industrial water treatment systems
- Troubleshoot equipment issues and provide great customer service
- Work independently across multiple locations each day, within 1 hour of Des Moines

#### **What We're Looking For**

- Someone who takes pride in doing quality, hands-on work
- Comfortable with a physically active job
- Dependable and punctual
- Clean driving record required

#### **Pay & Schedule**

- **Starting pay: \$25.00/hour**
- **Full-time** (flexible scheduling available to support school commitments)

#### **Benefits**

- **No nights or weekends**
- 401(k) retirement plan
- Medical, dental, and supplemental insurance
- Health savings account
- Paid Vacation and Holidays

**If Interested in this position, please Email: [rheiken@ccbw.com](mailto:rheiken@ccbw.com)**
